4:30 Arrive at Carl Junction, unload busses, go home

All times are approximate and are subject to change

Students are expected to have the best possible behavior on this trip. Please use good manners at the restaurant, be receptive of the constructive criticism from judges, and follow appropriate bus behavior. **No one** is allowed to purchase toys from the toy vending machine in the lobby of the gym. The band directors have received complaints from Verdigris High School band parents each year we have attended this festival and it is usually due to these toys being used in an inappropriate manner.
